

Summer School 2023
CERTIFICATE OF ATTENDANCE

—
This is to confirm that

Paolo Dalena

has attended the MOOD Summer School 2023 at the Mediterranean Institute for Life Sciences (MedILS), in Split, Croatia, from the 22nd till 26th May 2023.

—
This is to certify that the attendance fee was covered by the MOOD project, which has received funding from the European Union's Horizon Europe research and innovation programme under grant agreement N° 874850. This fee was used to cover costs of course materials, lectures, lunches, coffee breaks, and social events, on a non-profit basis.

Supplier/Beneficiary: OpenGeoHub foundation, Address: AgroBusiness Park 10, 6708PW Wageningen, the Netherlands; EU VAT No.: NL858871683B01.
OpenGeoHub educational services are exempt from VAT following the CRKBO registration.

This event was organized in collaboration with OpenGeoHub Foundation (<https://opengeohub.org/>) and Cirad (<https://www.cirad.fr/>). Additional information about the Summer School is available at <https://mood-h2020.eu/event/mood-summer-school-2023/>

Tomislav Hengl, Technical Director (tom.hengl@opengeohub.org) of OpenGeoHub Foundation and organizer of the MOOD Summer School

In Split, 31st May 2023
